

Institution's Innovation council		
Activity Report		
IIC4 Sem 1- Q2 Celebration Activity		
Academic year : 2021-2022		
Program: Celebration Activity	Title of activity: National Pollution Control Day celebrations	
Objective	To make awareness about the causes and effects of the pollution to students	
Organizer: The Institution's Innovation Council (IIC)	Name of coordinators: Dr Periasamy C President II Council	Date: 02/12/2021 Duration: 120 Minutes
Summary of activity: This session starts with the welcome address by Dr Periasamy C and followed with the felicitations from Dr. Kavitha Murugesan HOD CSE, Mr Balakrishnan HOD EEE and Ms. Divya HOD CE. The speaker emphasizes that December 2 is observed as National Pollution Control Day every year in the memory of those who have lost their lives in the Bhopal Gas tragedy on the night of December 2nd and 3rd, 1984. The speaker adds that Environmental pollution, directly and indirectly, affects the quality of life more than one can imagine. All this is mainly caused by human activities which harm the environment in more than one way. Nowadays, pollution prevention is a major global concern because everyone on the earth is entitled to clean air to breathe, water to drink, and to enjoy public lands. The vote of thanks was delivered by Ms. Amrutha
