

<b>Institution's Innovation council</b> <b>Activity Report</b> <b>National Science Day Celebration Activity for IIC Academic Year 2021-22</b> <b>IIC 4 Sem 1- Q2</b>		
<b>Program:</b> National Science Day Celebration Activity	<b>Title of activity:</b> “ Integrated approach in science and technology for sustainable future ”	
<b>Organizer:</b> The Institution's Innovation Council (IIC)	<b>Name of coordinators:</b> Dr. Nimmy John HOD , S&H Dept	<b>Date:</b> 28/02/2022 <b>Time :</b> 02.00 pm <b>Venue:</b> Online
<b>Name, designation of resource person:</b> Dr. Julin Joseph Assistant Professor St. Josephs college for women, Alappuzha		
<b>Summary of activity:</b> This session started with the welcome address Dr. Julin Joseph covered that Integration of science is based on four pillars. These pillars include coming together of all science ministries and departments to work on theme-based approach of problem solving, She added that celebrations of important scientific days should not remain a one-day event and there is a need to build upon this on a regular basis. The presentation was supported by feedback and discussions.		
<b>Benefit to faculty/students</b> The energy of this day is regarding unfurling the message of essence of science among Engineers. It is also about making them aware of the developments in the orb of science & technology.		
<b>No of participants: 50 (35 Students and 15 Faculty)</b>		
<b>Assessment/remarks of participants:</b> It is really helpful and awesome that gives us an idea how to focus on inventions in Science and Technology
