Date : 15/11/2022

Summary of the activity

The department of civil engineering in association with ICI, Calicut Centre, IGBC, Kochi Chapter and ASCE ISSR conducted an industrial visit to water treatment plant at Peruvannamuzhi on 15th November, 2022. All the B.tech students of S3, S5 and S7 went to the plant and teachers accompanied with them. The students gathered a lot of information regarding the different units in the treatment plant and also they were able to gather ideas regarding the working procedure of the different treatment units. The officials from water authority department explained the concepts very well and it's a good exposure for the students.

Benefits to students

- Knowledge about site Practical engineering skills knowledge acquisition
 Reinforcement of concepts presentation skills Familiarity with real-world

No of student participants: 50

Assessment/remarks of students :It was beneficial for students acquiring knowledge about site.

The abovementioned activity was schedule in accordance with the requirement of APJ Abdul Kalam Technological University. The activity was a fair / /good success

Name of Head of Department : Ms Divya K K.

Signature

Documents accompanying: Posters, screenshots

The activity was conducted during this semester and has given good benefits to student participants
