<b>Organizer:</b> The Institution's Innovation Council (IIC) VVIT	<b>Name of coordinator:</b> Ms Saranya AP Mr Abel Student	<b>Date:</b> 23.02.24—26.02.24 <b>Venue:</b> Kanan Devan Hills Plantations Company Pvt. LTD
<b>Objectives:</b> Exposure visits enable different regions to interact with and learn from each other, allowing them to view practical examples of successful integration of sustainable practices in communities like their own.		
<b>Name, designation of resource person:</b> <b>S4 Students</b>		
<b>Summary:</b> The institution's innovation council organizes "Field/ Exposure Visit to Munnar based Kanan Devan Hills Plantations Company Pvt. LTD", the makers of Ripple Tea is an associate company of Tata Consumer Products Limited. A Field Observation Visit is defined as an 'educational trip to a place with the aim to obtain first hand information about its objectives, activities, procedures, processes and working. KDHP is the world's largest employee-owned tea company, with a legacy of over 136 years. They produce 23 million Kg plantation fresh and sustainable tea annually. Sustainability certifications of International repute like Rainforest Alliance, Trustea, Organic, Fairtrade and FSSSC 2200, ISO2200, are proof of their commitments towards the environment, employees, consumers and food safety.		
<b>Benefit to faculty/students:</b> Exposure visits are a very important training methodology as it enables the participants from a different setting to interact with and learn from each other, allowing them to view practical/real life situations of successful integration of sustainable practices in the said field.		
<b>No of participants:</b> 69 (60 Students and 9 Faculty)
