

ONAM KIT DISTRIBUTION

The NSS unit(601) of Vedavyasa institute of technology organized an Onam kit distribution on 23/08/2023 as a part of Onam celebration at mechanical seminar hall. The kit included items like rice, pulses, spices, vegetables and other necessities which were donated by students, teachers, and staffs of the college. The kit was distributed to ten neighbouring families.

The program was inaugurated by the principal Dr Raji Rajan and the program was felicitated by HOD's of all departments.
