Institution's Innovation council

IIC6-Q2 Celebrations Activity Report

Program:

National Science Day

Title of activity:

Quiz Competition-Critical Thinking on Science and Technology

Organizer:

The Institution's Innovation Council (IIC) VVIT

Name of coordinator:

Dr Periasamy

Date: 28.02.24

Time: 10.00 AM

Venue: VVIT

Objectives:

It aims to highlight the importance of traditional knowledge in scientific advancement.

Name, designation of resource person:

Ms Divya Principal

Summary:

The institution's innovation council celebrating National Science Day organizes Quiz Competition-Critical Thinking on Science and Technology on 28.02.24 at 11.00 PM at institution. The theme for National Science Day 2024 is 'Indigenous Technologies for Viksit Bharat'. Every year on February 28, We celebrate National Science Day to honour the discovery of the 'Raman Effect' by Indian scientist and physician C V Raman. This day is all about recognizing the important contribution science has made to our lives and raising awareness of its significance. The Raman Effect, discovered on February 28, 1928, is when a light beam passing through a transparent material scatters in a way that reveals details about the material's molecular structure. It's a special day to commemorate this discovery and its impact. This event aimed to encourage students to delve into scientific inquiry and contribute to the advancement of knowledge through critical thinking. Following multiple rounds of questioning, winners were acknowledged and rewarded with cash prizes. The first prize winners are Rakesh (ME) and Abhinav (ME) and the second prize winners are Narmin (ECE) and Ansha (ECE). "Rise and shine, see the sun, and explore the science around us". Wish you a happy National Science Day.. The program ends with discussions. The votes of thanks delivered by student coordinator

Benefit to faculty/students:

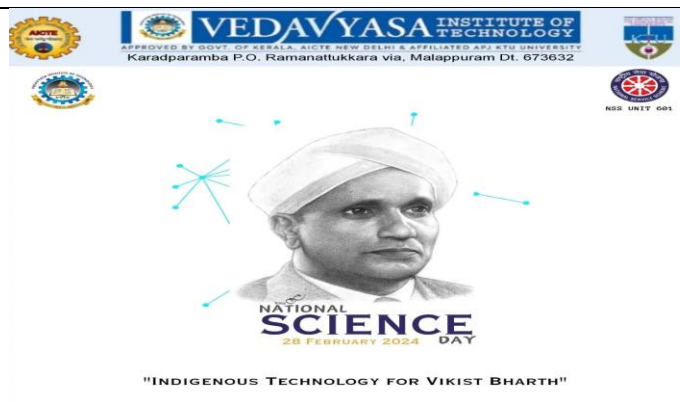

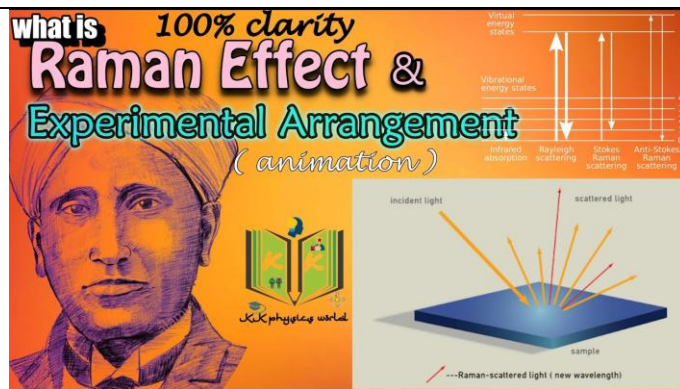

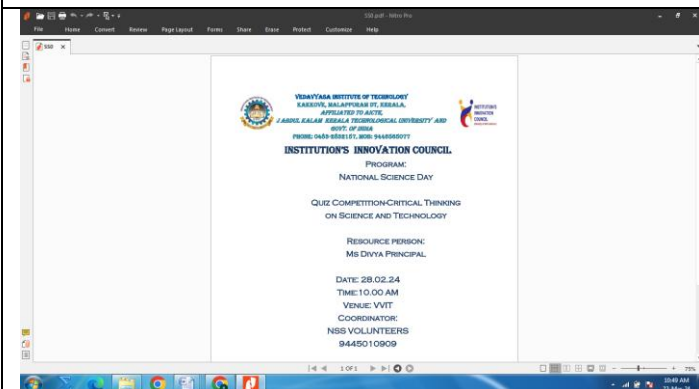

The event is now celebrated all over India in schools, colleges, universities and other academic, scientific, technical, medical and research institutions

No of participants: 47(44 Students and 3 Faculty)
