Dear Gowri Arun Menon

We are pleased to inform you that your paper #115 entitled "Dental Problem detection using YUV-YOLOV5 deep learning algorithm" has been accepted for presentation at the MVAI-2023, 24-25 November 2023 in NIT Patna, Bihar, INDIA.

Congratulations on being accepted to present and publish your work at MVAI-2023.

The reviewer's comments are available at the CMT portal. Please incorporate suggestions from the reviewers in the final camera-ready submission. The final paper can be submitted through the CMT portal before the submission deadline of October 30, 2023.

Further, authors should ensure that the similarity score in the final submission should be less than 20% in total. Failing to which the paper may not be considered for publication. Thank you very much for your contribution.

Please note all papers MUST be presented at the conference in order to be published in the Springer Conference proceedings. If you do not present your paper at the conference, it will not be included in the Springer Conference proceedings.

The conference registration process will be informed soon.

If you have any questions regarding the final submission and processing, please drop an email at mai2023@nitp.ac.in. We look forward to seeing you at the conference.

Warm Regards,
MVAI-2023 Team
