Minutes: Student's Welfare Meeting

Date: 28th September 2019

Representation of Syamili T., M.Tech 3rd semester student of Structural Engineering

The student, Syamili T., approached the committee stating her helplessness in paying tuition fee for the third semester. In her letter she requested for financial assistance.

The institute and the committee considered the letter and decided to adopt the student as teaching research assistant and that could be supporting her to pay the tuition fee.

The Welfare Committee thus solved the financial difficulty of the student.
